

# ART & DESIGN

Head of Art and Design – Miss T Livesey

KS3 Co-ordinator – Miss P Cockayne

## Topics of Study This Year:

Term 1 will involve a pupil questionnaire and a baseline test based on their foundation skills; direct observational drawing, mark-making and tonal shading skills. Pupils will develop their direct observational drawing skills, colour theory, blending and mark-making skills based on the healthy theme of fruit and vegetables. In Term 2 we will explore different media, materials, processes and techniques e.g. biro, watercolour and oil pastel and look at the illustrative work of Barry Patterson. Pupils will learn how to design an interesting composition. They will develop design ideas for cards, gift tags and or wrapping paper ideas inspired by Gustav Klimt or Friedensreich Hundertwasser. In Term 3 pupils will create mixed media design ideas and will learn the importance of reviewing, refining and evaluating their design ideas and project to help them improve.

### Term 1

Foundation skills  
Pupil questionnaire  
Baseline test  
Direct observational drawing  
Mark-making  
Tonal shading skills  
Colour theory  
Blending skills  
Mark-making to explore the textural surface qualities of fruit and vegetables

### Term 2

Explore different media, materials, processes and techniques  
Develop design ideas for cards, gift tags and wrapping paper

Illustrator = Barry Patterson and Sara Farelli  
Pop artists = Claes Oldenburg, Andy Warhol, Wayne Thiebaud and Giuseppe Arcimboldo

### Term 3

Create mixed media design ideas  
Review, refine and evaluate design ideas and project  
  
Artists = Gustav Klimt and or Friedensreich Hundertwasser

## Assessments:

A baseline test will be done early in Term 1 to assess what level each pupil is starting at and there are interim reports. Work will be teacher, pupil and peer assessed as the project develops and work will be assessed on completion. There is an end of year exam, report and review.

## Homework:

Bring in a piece of fruit or vegetable to draw from. Create an A4/A3 mood board based on a collage of magazine, ICT images and photographs. There will be two larger homework projects set in Art and Design during the year. The first main homework project is based on the theme of food and the second during Term 2 is cross-curricular. Pupils will research the work of illustrator Barry Patterson, along side other artists. Projects are designed to encourage pupils to use their imagination, develop the skills they have learnt, including independent research, drawing, creating design ideas, producing a final piece of work and evaluating their strengths and weaknesses.

## Other Useful Information:

Art Club 3.05pm - 4pm on Thursday Room 35 - Miss Cockayne.

Art and Design Flight Path Targets and progress see Art and Design page in planner.

Art & Design key vocabulary - see workbook.

Art & Design research skills, advice and useful websites - please see workbook and homework tasks. Pupils can use moodle and the school library if they cannot print their home work. They can do it in school.
