Phil Costelloe

Staff

Mr Costelloe was appointed as a Science Teacher at Ashton on Mersey Boys School from September 1975 and taught for over 36 years in various roles as the school expanded after amalgamation in 1981, until his retirement as a teacher in 2011.

He was appointed by the Manchester Diocesan Board of Education as a Foundation Governor of Armitage CE Primary School, Ardwick in 1979 and was Clerk to the Governing Body there for 15 years.

In 1997, Mr Costelloe took responsibility for Ashton's Charter Mark Award and HM Government's Customer Service Excellence status, a task that he did until his retirement from teaching. Mr Costelloe took over the responsibility for Timetabling at Ashton in 2001, while he was still teaching.

He joined the Business Support Team in 2012 on a part-time basis and continues to be responsible for Timetabling at Ashton, and assisting other Trust Schools with timetabling issues. Mr Costelloe was an elected teacher governor at Ashton for many years and more recently an elected staff governor. He sits on the WTLP Finance Committee.

Wayne Edwards

Staff

Wayne Edwards has lived in Partington all his life - his family having been there since 1837.

He has always been passionate about this community resulting in his joining many community support groups such as chiring Positive Partington TRA group and then joining the Parish Council, where he is now Chairman. One of his other passions is education, evidenced by serving on governing bodies both primary and secondary, for over 18 years.

He became a teacher at Broadoak School when Tarun Kapur and Andy Griffin saw an opportunity for him to engage the young people with vocational life skills. Outstanding training has resulted in not only himself but also the school becoming one of the most successful training facilities that helps all their candidates achieve their goals. Wayne is very proud of all Dean Trust schools which is why his children are education there and have secured results never seen before.

Nadeem Mohammed

Community

Nadeem left Ashton on Mersey School in 1995 after completing his GCSE's – he eventually went on to study Automotive Engineering at University. After witnessing a serious crash he developed an interest in Forensic Collision Investigation. This led him into a role with a large international consultancy firm. His employer recognised his potential and supported him to study part-time on a specialist MSc taught course in Transport Engineering and Planning; and he went on to achieve Chartered professional status in the field of Highways & Transportation.

After completing a secondment to Qatar to help improve the safety of roads in preparation for the 2022 World Cup; he returned to the UK in 2012 and started in a new position within the public sector at Transport for Greater Manchester.

He was asked to comment on the Planning Application for The Dean Trust Ardwick. This encouraged him to learn more about The Dean Trust and he applied for a Community Governor position for both Ashton on Mersey and Broadoak.

Being a Community Governor enables Nadeem to give something back to The Dean Trust that is now responsible for the school that gave him such a good start in life. He is the first person in his family to have a university degree and professional career and is keen for all pupils to achieve their potential.

He spends his spare time with his wife and young son; following the British Touring Car Championship; supporting Formula 1 Driver Lewis Hamilton; and fair-weather cycling.
